## Installing FieryOptimized2.joboptions Adobe Acrobat Distiller Settings

### Overview

EFI has developed a PDF setting to use with Adobe Acrobat Distiller, Adobe Creative Suite/Cloud and the Adobe PDF Printer driver to create PDF files optimized for printing to Fiery Driven™ printers.

The Acrobat Distiller Settings: FieryOptimized2.joboptions can be downloaded from the EFI Download Center at <u>w3.efi.com/fiery/fiery-support/download/</u>:

- Click on the Application Software and Tools tab.
- In the Select Software area, select Fiery Distiller Settings.
- In the Select Version area, select Fiery Distiller Settings verified.
- Click on the **Find** button.
